ARTICLE 18. CONSENT AGENDA

To see if the Town will vote to transfer from Recreation Retained Earnings or other available funds a sum of money to supplement or reduce appropriations previously voted for the FY27 budget; or take any other action in relation thereto.

(Finance Committee)

MOTION: MOVED AND SECONDED that the Town reduce the Recreation Enterprise Fund's Receipts for FY27 by $343,000 and fund the budgetary shortfall by use of $343,000 of Recreation Enterprise retained earnings.

BACKGROUND: *Revenue estimates for Enterprise Funds are limited to the prior year revenue total unless there are justifiable fee/charge increases. The FY26 Recreation revenue totaled $2,525,711 but the revenue estimate for FY27 was $2,868,583, a shortfall of $342,872. Rather than cutting costs which are based on anticipated growth and increases in programming, this motion reclassifies the funding source from revenue to retained earnings to cover the shortfall. The Department of Revenue certified the Recreation Enterprise retained earnings balance to be $1,273,311.*
