ARTICLE 36. To see if the Town will authorize the Select Board to grant and convey, on behalf of the Town as landlord under the long-term ground lease for the so-called Waterfield Lot located off of Waterfield Road adjacent to the Winchester Center MBTA Commuter Rail Station (the "Premises"), such easements, interests and/or dedications which are necessary to transfer or dedicate any access, utilities, or other infrastructure now existing or hereafter constructed on, under or over the Premises or serving the Premises in order to carry out the multifamily residential project to be constructed and operated thereon, to appropriate property owners, public authorities, and/or utility companies, and, from time to time, to do such other things, take such other actions, and enter into any and all agreements which are necessary in furtherance of the foregoing, or to see if the Town will take any other action in relation thereto.

(Select Board)

MOTION: MOVED AND SECONDED that the Town authorize the Select Board to grant and convey, on behalf of the Town as landlord under the long-term ground lease for the so-called Waterfield Lot located off of Waterfield Road adjacent to the Winchester Center MBTA Commuter Rail Station (the "Premises"), at no cost to the Town, such easements, interests and/or dedications which are necessary to transfer or dedicate any access, utilities, or other infrastructure now existing or hereafter constructed on, under or over the Premises or serving the Premises, in order to carry out the multifamily residential project to be constructed and operated thereon, to appropriate property owners, public authorities, and/or utility companies, and, to authorize the Select Board to enter into any and all agreements which are necessary in furtherance of the foregoing.

***BACKGROUND*:** *As the Waterfield Project moves forward, this general authorization to grant and convey easements by the Select Board, at no cost to the Town, is necessary to support the construction at the Premises.*
