ARTICLE 14. To see if the Town will raise and appropriate, transfer from free cash or available funds, or otherwise provide a sum of money for the following capital projects:

Cemetery and Water/Sewer Projects

1. Columbarium
2. Raw Water Pump Building Repairs
3. WTP Backwash Basin Design

And to determine whether said appropriations or transfers are to be made from the Building Stabilization Fund or Capital Stabilization Fund established under Chapter 69 of the Acts of 2002, Water & Sewer Retained Earnings, Recreation Retained Earnings, Cemetery Perpetual Care Fund, Free Cash or any other available fund; or take any other action in relation thereto.

(Capital Planning Committee)

MOTION #1: MOVED AND SECONDED that the Town vote to appropriate $140,000 for first phase of construction of a new columbarium site at the Town cemetery and all other costs incidental and related thereto, of which $140,000 is from the Cemetery Perpetual Care Fund.

MOTION #2: MOVED AND SECONDED that the Town vote to appropriate $600,000 from Water & Sewer Retained Earnings for the Raw Water Pump Building Repairs, including construction, equipment and engineering and all other costs incidental and related thereto.

MOTION #3: MOVED AND SECONDED that the Town vote to appropriate $100,000 from Water & Sewer Retained Earnings for the WTP Backwash Basin Design ($100,000), including construction, equipment and engineering and all other costs incidental and related thereto.
