(Town Manager)

MOTION: MOVED AND SECONDED that the Town vote to appropriate $225,652.81 from the PEG Access and Cable Related Fund, $180,652.81 of which shall be used for PEG access service programming, monitoring the cable operator's compliance with the franchise agreement and to prepare for renewal of the cable franchise license including any associated expert and legal service and $45,000 of which shall be used for capital purposes.

BACKGROUND: *WinCAM was established in 2000 to manage facilities and produce programming on the Public, Educational and Government (PEG) access channels of Comcast and Verizon, in addition to any other cable system franchised in the Town of Winchester. WinCAM used to receive funds directly from Comcast and Verizon as part of the license agreement between the cable companies and the Town. Town Meeting voted to create a PEG Access and Cable Related Fund in the 2019 Spring Town Meeting to accept payments as the state determined that, since the license is with the Town, the funds must go to the Town first. This article then allows the Town to disburse the funds to WinCAM.*
