Winchester Committee on Community Preservation (WCCP)

Statement of Support for Forest Ridge Project

Article 26, Fall 2026 Town Meeting

Date issued: 01 October 2026

Based on WCCP's current understanding of the proposal by the Winchester Conservation Commission for the town to acquire the land known as Forest Ridge, with the property to be bound by a permanent conservation restriction, WCCP passed a resolution on 17 September 2026 in support of using CPA funds for this purpose, at a price to be determined but not to exceed the amount set forth in the current appraisal provided to the WCCP ($2.85 million as of the date of this resolution), provided that Town Meeting votes to take the property by eminent domain and the Select Board votes to authorize and execute the taking of the property by the eminent domain.

Any use of CPA funds for the Forest Ridge project shall be subject to the presentation of a Final Application to the WCCP, a vote of the WCCP members then in office to recommend the appropriation of such funds to Town Meeting, and subsequent appropriation by Town Meeting. This letter is a statement of conditional support only and does not commit the WCCP to recommend any appropriation to Town Meeting.
