(Citizen Petition, Gloria Korta)

MOTION: **MOVED AND SECONDED** that the Town vote to approve Article 42 as printed in the warrant.

BACKGROUND: *The Ledges Condominium is seeking to rezone an approximately 20,000 sf parcel of land from the existing Planned Residential District (PRD) to the Residential District A (RDA-20). This parcel to be rezoned is on the outer perimeter of the Ledges Condominium land and has frontage and direct access to Wainwright Road and abuts land which is similarly zoned RDA-20. Once rezoned, the intent would be to sell this lot to be developed as a single family residential home, which sale would generate necessary funds for the Ledges to utilize for its common area infrastructure needs. Any home to be constructed on this lot would need to obtain the requisite permits and approvals from the Town of Winchester before being developed and once constructed would generate additional annual recurring property tax revenue for the Town.*
